Synopsis

The film tells an extraordinary story of friendship. In medieval times, a small Eskimo boy living on Greenland reaches a remote village in Iceland on a broken iceberg. They see a small boy named Buas,^[3] who is from a family in the village, by chance, saves him from the falling avalanche and they become friends. People with superstitious beliefs, looking at the outward appearance of this creature they see from afar, conclude that it is an evil spirit.^[4] Therefore, Buas has to fight for his friend against those who want him to be imprisoned and even further killed.
